

**Med College Darshan (MCD)**

**Content Writing Reward Program**

***Official Terms & Conditions, Rules & Regulations***

## 1. Introduction

The Med College Darshan (MCD) Content Writing Reward Program is an initiative designed to empower medical students across India to express their ideas, knowledge, and experiences through structured academic and creative writing. This platform aims to create a collaborative ecosystem where students can contribute meaningful content while gaining recognition, exposure, and rewards.

## 2. Eligibility Criteria

Participation in this program is strictly limited to students pursuing MBBS, BDS, BAMS, and BHMS from the first year to the final year in recognized medical colleges within India. Participants must be currently enrolled and residing in India. Any submission from ineligible participants will be rejected without prior notice.

## 3. Submission Guidelines

All content submitted must be original, self-written, and must not infringe upon any copyright or intellectual property rights. Plagiarism is strictly prohibited and will lead to immediate disqualification. Fully AI-generated content is not allowed; however, limited use of AI tools for grammar correction, structuring, or minor refinement is acceptable. Participants must ensure clarity, accuracy, and authenticity in their submissions.

## 4. Verification Process

Every submission will undergo a rigorous verification process including plagiarism detection and AI-content analysis. MCD reserves the right to reject, edit, or remove any content that does not meet quality standards or violates guidelines. Only verified and approved content will be published.

## **5. Evaluation Criteria**

Participants will be evaluated based on multiple parameters including the quality and depth of content, originality of ideas, number of submissions within the evaluation period, and audience engagement such as views, shares, and comments. Final evaluation will be conducted by the core team of Med College Darshan, whose decision shall be final and binding.

## **6. Publication Policy**

Approved content will be published on the official Med College Darshan website. The published link will first be shared with the author, after which it will be made publicly accessible. By submitting content, participants grant MCD the right to publish, promote, and share the content across platforms.

## **7. Reward Structure**

At the end of every three-month evaluation cycle, the top three participants will be selected based on overall performance. Rewards may include educational tools such as stethoscopes, aprons, books, study accessories, small gadgets, and vouchers from platforms like Amazon, Flipkart, Swiggy, Zomato, and others. The nature of rewards may vary but will always aim to benefit the academic and personal growth of participants.

## **8. Selection Rules**

Participants will be ranked based on a combination of qualitative and quantitative factors. One participant cannot be selected as a winner for two consecutive terms. Multiple or duplicate submissions from the same participant will lead to disqualification. The final decision regarding selection and rewards lies solely with the MCD core team.

## **9. Code of Conduct**

Participants are expected to maintain professionalism, ethical standards, and respect in their content. Any content that is misleading, offensive, or medically inaccurate will be removed. MCD reserves the right to take necessary action against violations.

## **10. Contact & Submission**

Submit your content at: <https://medcollegedarshan.com/index.php/write-share-get-rewarded/>  
Contact: Dr. Rajat Singh (+91 8005254808), Dr. Ayush Srivastava (+91 8050681307), Dr. Ritesh Srivastava (+91 6200048593)

## **11. Final Declaration**

By submitting your content, you acknowledge that you have read, understood, and agreed to all terms and conditions stated above. Any violation may lead to disqualification without prior notice.
